Paolo Azzoni, INSIDE Secretary General

The EU Chips Act & the Chips JU

ECS
BROKERAGE
EVENT 2025

The Chips JU implements Pillar 1 (*) of the Chips Act

- It replaces and enlarges the KDT JU (scope and budget)
- EU budget KDT **1.8B€** -> EU budget Chips **4.175B€**
- Commensurate level of funding expected from Participating States
- 27 Member States and 3 associated: Israël, Türkiye and UK
- Total Chips programme size around **11B€**
- **It is made of 2 parts**, each operating with **yearly Calls**:
 1. **The Chips for Europe** initiative deals with Pilot Lines, Design Platforms, Quantum chips, Competence Centers
 2. **The regular R&I** programme, industry-driven, called **“ECS”**, based on the ECS Strategic Research and Innovation Agenda, and may include Focus Topics (as in KDT)

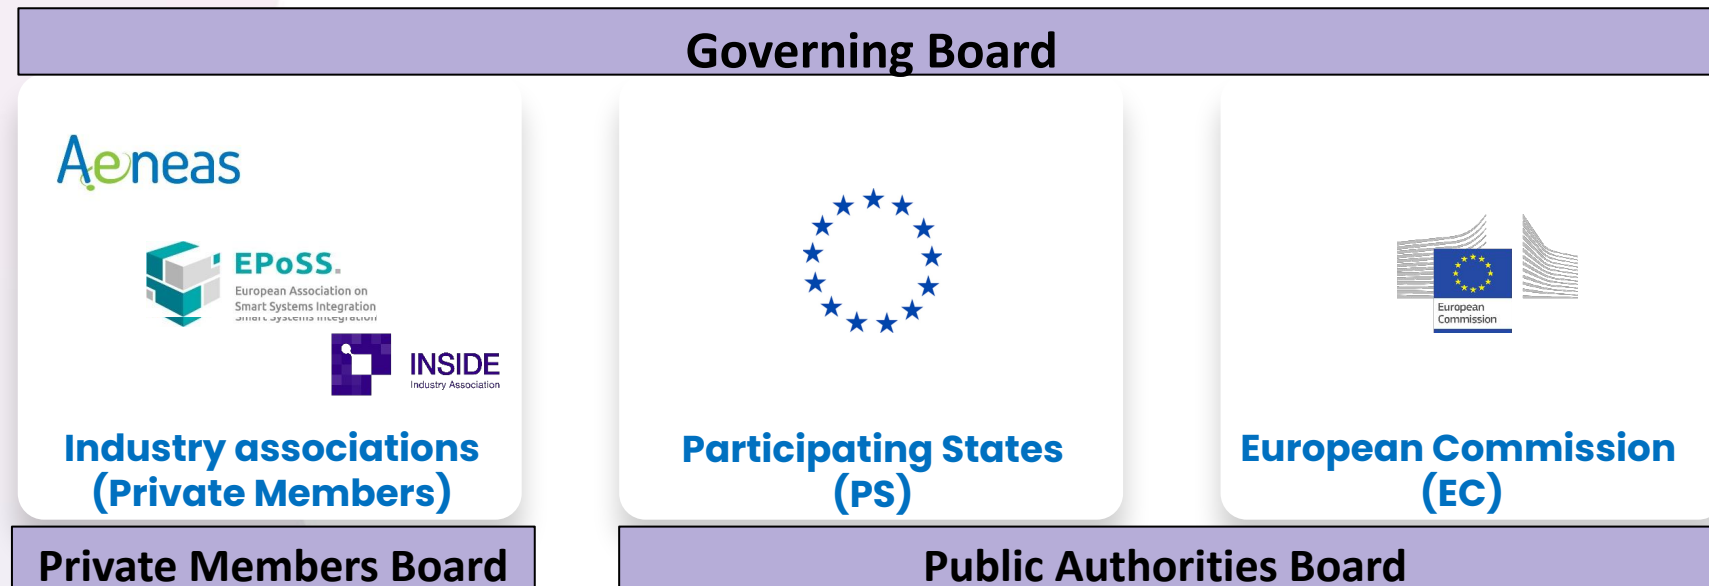

(*) except the Chips Fund

EU budget (B €) 2023-2030	Chips for Europe Initiative	ECS (non-Initiative, ex KDT)	Total
R&I (Horizon Europe)	1.425	1.300	2.725
Capacity building (Digital Europe Programme)	1.450	n.a.	1.450
Total	2.875	1.300	4.175

Welcome to the Chips JU
